

**REMARKS**

Claims 1, 2, 4-14 and 16-22 are pending in the application and stand rejected.

**Claim Rejections - 35 U.S.C. § 112, First Paragraph**

Claims 1, 2, 4-14 and 16-22 stand rejected under 35 U.S.C. § 112, first paragraph, as allegedly failing to comply with the written description and enablement requirement.

The Examiner indicates that the term “when the search window and the edit window are focused by a user,” as recited in claims 1, 12 and 20 is not supported or enabled by the specification. It is recommended that this phrase be amended to recite, “when either the search window or the edit window is respectively selected by a user.”

In response, Applicants amend claims 1, 12 and 20 in accord with the Examiner suggestion. Thus, withdrawal of this rejection is respectfully requested.

**Conclusion**

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.
